

Green Point Cannabis Pesticide Disclosure (2019 Crop Year)

J423670 UBI# 603319051

32508 W Kelly Rd. Ste. A

Benton City, WA 99320

We are a Tier 3 producer out of Benton City, WA. All our product is sun grown, and we are pesticide free using only OMRI Listed products including the following

- **Tri Tech** "Spray Oil Emulsion Fungicide, Insecticide, and Miticide"
 - o Only used per instruction, and not during the flowering stage
 - o OMRI Listed

Product testing: All our finished goods for retail are tested in accordance with LCB requirements, submitted to Confidence Analytics. For wholesale opportunity several "crop samples" are extracted to the BHO level and tested for pesticides to ensure cleanliness.

- We currently do not source from any other farms for distribution, but in such case the same testing would be required.

Beneficial Insects: Lady bugs are native to our area and naturally present on our farm
